Report on the Strategic Memorandum of Understanding Signing with Indeed Inspiring Infotech Pvt. Ltd.

Introduction

On 7 May 2026, the Artificial Intelligence and Machine Learning (AI & ML) Club at Dhole Patil College of Engineering formally entered into a Memorandum of Understanding (MoU) with Indeed Inspiring Infotech Pvt. Ltd. This strategic partnership was established under the guidance of Hon. Chairman Sagar Dhole Patil, Principal Dr. Abhijit Dandavate, and the leadership of the Department of Artificial Intelligence and Machine Learning, represented by Dr. Vishvas Kalunge and Prof. Sandip Kale.

Objectives and Scope of Collaboration

- To establish a robust platform for industry-academia interaction.
- To provide students with opportunities for internships and real-time industrial projects.
- To facilitate collaborative research initiatives in the domain of advanced AI & ML technologies.
- To offer specialized training programs to enhance technical proficiency.
- To foster career readiness through structured skill-enhancement activities.

Planned Skill-Enhancement Initiatives

Activity Category	Description
Knowledge Sharing	Expert sessions and technical seminars
Practical Training	Workshops and certification courses
Innovation	Innovation challenges and hackathons

Conclusion

The collaboration with Indeed Inspiring Infotech Pvt. Ltd. marks a significant milestone for the AI & ML Club. By bridging the gap between theoretical knowledge and industrial application, this MoU aims to equip students with the practical expertise required to excel in the competitive landscape of artificial intelligence. The club looks forward to a productive association that benefits the student community and promotes academic excellence.
